

**VOICES
LIVE ON** the 1st LIFE STORIES & APPRECIATING PEOPLE INTERVIEWING SERVICE

Hello,

This is Sean J. Kurker, the Founder of Voices Live On, the 1st of its kind Interviewing Service

We create a relaxed and therapeutic conversation for People, Couples, Seniors, Families, Veterans, Businesses, and Non-Profit Fundraiser.

We save interviews in topic or message segments to create a Families or Businesses Library of Life Stories, Appreciation of People, & Reusable Emotional Marketing Content.

Interviews are “In Person or By Phone”

Saving the conversations in segments for personal or business use
(AUDIO #1 Very Affordable..... Video is Optional)

TYPES OF INTERVIEWS:

We create guided conversations while saving personal or business segments/chapters.

- **Business & Family Histories, Life Stories, Steps to Success, Client testimonials, Products & Services Overviews, Staff Stories, Wall Memorabilia stories, Menu descriptions, Historic Buildings, Heirlooms, discussing stories of Photographs, Home & Holiday Memories, and more.**
- **Surprise a Person, Couple, or Employee with multiple Appreciation Interviews** from co-workers, family or friends. Sharing favorite memories and best wishes.
- Everyone can CLICK & LISTEN to each person from 1 online page.

One of our MEDIA PARTNERS- “Seniors Guide” Magazine reaches 100,000 ppl in Central Indiana

- We are featured in Oct 1st through January 2020
- Available in: Hospitals, Doctors Offices, Assisted Living, Groceries, Home Delivery, and more.
- 2 Full Page Featured Interview Indy Car & NASCAR Race Legend, followed by our ½ page Ad
- The publisher sponsored our placement and admires our service for people and businesses.

Our Interviewers/STORY GUIDES are:

- Business professionals, Radio legends, Veterans, Military Historians, Business Coaches, Mothers, Artists, people from all walks of life.

The Public & Businesses- “Are not normally interviewed about their world”

- When they are, it’s therapeutic, empowering, and the REAL STORIES can be told and the content can be used/listened to over and over, and saved FOREVER!
- We are neutral 3rd party guiding conversations, asking organized questions with goals per segment.

Guiding People in a conversation format is easier for them, saving each segment, and uncovering more details.

- People choose from Life Topics & we ask deeper questions.
- Businesses expand details of history, services, and use content in multiple ways
- Conversations about Business or Life Facts, feels more authentic to the audience listening.
